

What Separates the **L&H 33'** From all Other Sportfisherman...

...Performance by Design

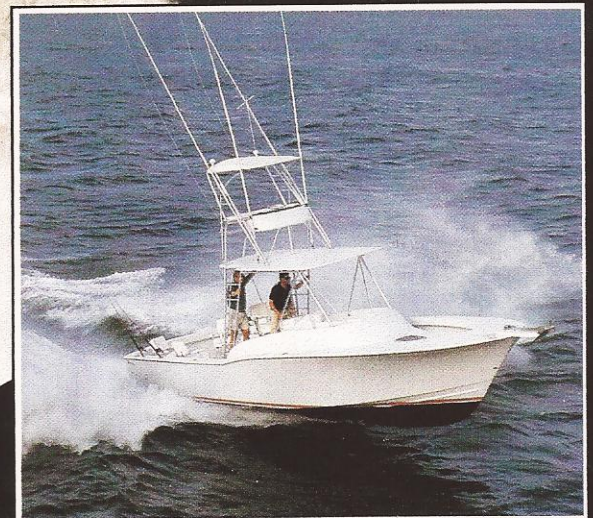

The L&H 33 ...Designed for the Serious Angler!

With 180 sq. feet of walk-around cockpit space, the L&H 33 has more room than boats twice its' size. It has been designed to cruise at 30 MPH in most fishable sea conditions.

In a world of look alike fishing boats, the L&H 33 is the definition of a walkaround Sportfisherman!
